

Emergency Relief Fund

In recent years, the Lamberton M.S. Parent Association maintains a separate fund which is used to purchase items for students who have financial needs.

In the past years, this fund has been used to purchase coats, clothing, shoes, school supplies, backpacks, and sewing kits for F.C.S class.

Last year, the Emergency Relief Fund was used to start a teacher/student mentoring program. This program is designed to help those students who may be at risk and need the extra support and guidance of an adult.

The money for this fund doesn't come from Parent Association fundraisers or the District, but is funded solely voluntary donations from Lamberton M.S. parents.

Again this year we are asking parents if they would like to make a contribution to the Emergency Relief Fund. If you would like to make a donation, please place cash or a check made out to **"Lamberton Middle School Parent Association"** in an envelope marked LMS Emergency Relief Fund. Have your son or daughter drop it off at the office.

We appreciate your contributions to this vital and important program. All of the contributions will be used for students in need during this school year.

If you have any questions about this fund please do not hesitate to contact me, Jody Hafner, Parent Association Treasurer at, jjbusymom@embarqmail.com or (243-8605) or any other Parent Association member. Again, thank you for your support of our Parent Association and this fund.
