

# Lamberton Middle School Athletics and Intramurals

## 2023-2024

### Intramurals

All students, grades 6-8, have the opportunity to take part in various low-cost and free intramural opportunities offered throughout the course of the school year. These events can include hiking, team sports, music and art, board games, and more. Information will be available to students throughout the year on the intramural board in the main hallway.
