

LAMBERTON MIDDLE SCHOOL
CARLISLE, PA 17013

August, 2017

Dear 6W Parents/Guardians:

We want to welcome you and your child to Lambertton Middle School and especially to the 6W Team.

We are looking forward to an exciting year filled with a variety of academic, social, and sports activities. We hope that you will encourage your child to experience the many opportunities that are available. It's always a delight to see the children's growth in this first year of middle school.

We have high expectations in the academic areas. We see that the most successful students are those who are prepared for class each day. Each student needs to keep up with assignments and come to school equipped to work.

The supplies we would expect your child to have within the first week of school are:

- A trapper keeper or large binder with six folders or dividers to separate subjects
- A separate 1 inch binder for Language Arts (preferably white)
- A set of colored pencils
- Pencils and at least one pen
- Highlighter
- Flash drive
- Low-odor dry erase markers (no eraser needed)
- 3 single subject, spiral bound notebooks
- Tissues

We are looking forward to meeting with you to discuss your child's progress at the end of the first marking period, but please do not wait until then if a concern arises. Call or email, and we will be happy to answer any of your questions.

We view teaching as a privilege, so your child is very important to us. Our hope is that this year will be a memorable one for all the best reasons.

Sincerely,

Mrs. Baker/Mrs. Sullivan
Ms. Knight
Mrs. Reidy
Mrs. Witman
