How Parents Can Help

- **Consult Teachers' Websites**

Use the www.carliseschools.org site and search bar to locate each teacher's website. There you will find information about subjects, assignments, and due dates.

- **Check PowerSchool**

This portal allows parents or guardians to monitor their child's progress between report cards. We encourage you to check PowerSchool at least once a week.

- **Make sure that your child is doing his/her homework** on a daily basis.

- **Encourage your child to review** class notes and readings prior to quizzes and tests.
