

Welcome to 7G!

You are about to enter the most exciting school year of your life! The 7G team believes strongly in the idea of responsibility and cooperation. We think you will find that both are rewarded. While our expectations for both academics and behavior are high, we promise to do our part to help you have the best possible experience as a seventh grader. In order to prepare you for a great start, we recommend the following items:

- Four 1-inch, 3-ring binders--one for each CORE class. You may also want to use folders and/or dividers to stay organized within these binders.
- Some loose-leaf composition paper for English and Science
- An 8-pack of whiteboard markers for Math
- A pack of multi-color highlighters
- A pack of colored markers
- A package of colored pencils for Social Studies
- Two packages of pencils and extra lead, if using mechanical pencils
- Erasers
- It is also recommended that you use a pencil case or other small organizer to keep track of your writing and art supplies
- A USB thumb drive to save your work

We look forward to greeting you on August 21, 2017!

Team 7G

Mrs. Rice – English

Mr. Smeltz–Science (Team Leader)

Mrs. Jackson– Math

Mrs. Surkosky – World Cultures
