We have a lot of great things planned for you this year. There will be team activities, competitions, and projects that will require effort from you but will be lots of fun! Your success throughout the year will be determined by the choices you make so get off to a good start by being prepared.

You will need the following items:

- Four 1 inch three-ring notebooks/binders (These are for English, Math , Science, and Social Studies. You should not have 1 big binder for everything.)
- 1 composition book for Science
- USB Flash Drive (does not need to be new)
- Several pencils
- Several good erasers
- Several pens (blue or black) with erasable ink
- Notebook paper (Put paper in each notebook.)
- 1 package of colored pencils
- 1 package of colored markers
- 3 highlighters of different colors
- 1 package of 3x5 file cards for Social Studies

**Each student will receive a student agenda which will be used to record assignments, so do not buy an assignment book.**
