

Lamberton Middle School

Dear 6G Parents,

We want to welcome you and your child to Lamberton Middle School and especially to the 6G team.

We are looking forward to an exciting year filled with a variety of academic, social, and recreational activities. We hope that you will encourage your child to participate in the many enrichment opportunities that are available.

We have high expectations in the academic areas. You can count on homework assignments frequently in all of your classes, and it is our expectation that all homework should be completed. We have found that the most successful students are those that come to school prepared, organized, and equipped to work.

The supplies we would like for your student to have are:

- * a trapper keeper/binder with a pocket folder for each subject
- * a (1 inch) three ringed binder for math
- * spiral single subject (lined paper) notebook
- * a set of colored pencils
- * several pencils
- * highlighters – 2 different colors
- * low odor dry erase markers
- * donations of boxes of tissues are always appreciated!!!!

At the end of the first marking period we will be setting up individual conferences to discuss your child's progress. Please do not wait until then if a problem arises. We strongly encourage you to contact us with any questions. Our email addresses and phone extensions can be found on Lamberton's website.

Enjoy what is left of your summer. We are looking forward to a successful 2018-2019 school year, and hope that it will be a memorable one for all the best reasons.

Sincerely,

6G Teachers

Mrs. Barr

Mr. Beachy

Mrs. Funk

Miss Morrow
